ACADEMIC TRAINING AND RELATED EXPERIENCE

Research Experience

Knowledge Dissemination

- 60 peer-reviewed papers published
 - n=19 as lead author
- 99 research presentations as presenting or co-author
- 20 invited talks

Editorial Roles

- Associate Editor:
BMC Public Health

Research Funding & Awards

- Federal Awards based on my research in health disparities from NIH
 - US\$101,188
- Current Federal Grants as Co-Investigator
- ~US\$5.6 million

A word cloud featuring various terms related to health, aging, and disparities. The words are arranged in a non-uniform, overlapping manner. The colors used are dark red, brown, and gold. The words include:

- DISPARITIES
